

# Neonatal Resuscitation

## 2010 Certification and Recertification Classes

The Neonatal Resuscitation Program is an evidenced based educational program that introduces the concepts and basic skills of neonatal resuscitation. The causes, prevention and management of mild to severe neonatal asphyxia are carefully explained so that health professionals may develop optimal knowledge and skill in resuscitation.

### Registration

Please register on Spectrum Health Learning Institute Online (SHLIO). If you do not work at Spectrum Health, fill out the form below and fax to 616.391.1332.

Name: \_\_\_\_\_

Phone Number: \_\_\_\_\_

NRP Expiration Date: \_\_\_\_\_

Hospital: \_\_\_\_\_

### Class Preparation

All classes begin at the time indicated. You must arrive at that time in order to complete class requirements. Course size is limited to 40 registrants. Registration is on a first-come, first-served basis, with priority given to Helen DeVos Children's Hospital and Spectrum Health employees.

The textbook, "Neonatal Resuscitation", fifth edition, must be obtained at least one week in advance of class from the contacts below or the library.

Neonatal Services or Non-Spectrum Health Employees

obtain text book from:

Stella Tasker

Administrative Assistant

Phone: 616.391.5138

E-mail: [estella.tasker@devoschildrens.org](mailto:estella.tasker@devoschildrens.org)

Women and Infant Services obtain text book from: staff educator or library

All Other Departments obtain text book from Amberg Health Sciences Library or educator from either department

A personal copy of the textbook can also be purchased at [aap.org/nrp](http://aap.org/nrp).
